And I won't be able to attend as I have a long standing meeting with Region 8 on another matter.

Jim and Rich,

I understand that, for the Nov. 21 meeting in Carson to discuss the Anaconda site, SPS will not have counsel in person. I don't know if that means by phone, but I thought to poll you on ARC's intentions. I will attend in person if other counsel are present, but otherwise will be available all day either by conference call or as need be to respond to specific concerns.
